Snow

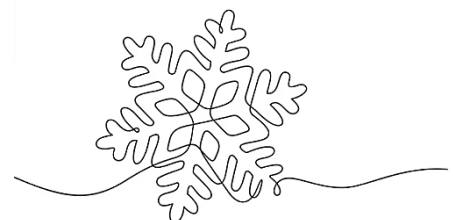

By Niya Fabrikant

**Small thing but mighty it is.
Fight with it, build with it, lay on it.
You can't have winter without it.
No replacements for snow!
Let it snow, let it snow, let it snow!**

January

By Peyton McClurg

**Joyful and delightful
Amazing and enlightening
Never boring
Usually, snowy
Always cold
Ringing in a new year
You need winter clothes.**
