Summer

By Florence de Beaufort

Jade and her family sat down for dinner. Once everyone was sitting, her father spoke up. "Kids, I have something special to announce," he said. "We're going to the beach!" Everyone was so excited!

The next day, Jade eagerly packed. "I can't wait!" she thought. The family got in the car and before she knew it, they arrived. They checked in to the hotel. Jade and her brother David quickly got into their bathing suits.

As they ran to the beach, their mother said, "Be careful, kids!" They ran to the water and Jade screamed, "What is that?!" David and Jade looked at a strange crab.

"Let's go around it," David suggested. When they got into the water, David saw a jellyfish. "Ahhhh!" he yelled. They were scared of the animals around them.

Just then, their dad came behind them. "This beach is the animals' home too. Respect them and give them space to stay safe," he said. After that, the animals didn't seem to be so scary. Jade and David had the best beach day ever!

Going to Camp

By Sophie Eralp-Atashi

Eliza was scared about going to camp. When the terrifying day finally came, she was clinging to her mom. "I don't want to gooooo!" she yelled, close to tears. When she let go of her mom, the counselor said, "It's going to be ok."

The counselor led Eliza to where the other small kids were playing with bubbles. Surprisingly, she joined them without any hesitation. After that, Eliza knew this was going to be the best summer camp ever!
